Introduction and important information

This **policy** is a contract of insurance between **you** and **us**, it is made up of:

- This **policy** booklet, which sets out the terms of **your** contract with **us**, including what **we** cover and what **we** don't cover (the exclusions).
- **Your schedule**, shows the cover that **you** have bought, including any **excesses, endorsements** and **your** premium.
- **Your** questions and answers document, which shows all the information that **you** have given **us**. **We** have based **your** cover on this information. It is important that **you** check this information and let **us** know if any of the information is incorrect.

You agree to the pay the premium for the **period of insurance** and keep to all the terms and conditions of this **policy**. If **you** do not do this, the contract may not be valid, and **you** may not be able to make a claim.

Your Insurers

This **policy** is a contract of insurance between **you** and **us**. **We** are authorised and regulated by the Financial Conduct Authority (FCA registration number 529506).

By taking out this **policy** **you** are entering into two separate agreements.

1. The first agreement is an intermediary agreement with **us**, Policy Expert. **We** are responsible for arranging and managing **your** home insurance. That agreement includes **our** services, fees and charges and can be viewed at www.policyexpert.co.uk/terms-and-conditions.
2. The second agreement is the contract of insurance with the **authorised insurers**. The **authorised insurers** have agreed to cover **you**, according to the terms and conditions in this document, against any liability, loss or damage that arises in connection with **your home** during a **period of insurance**. See the Regulatory Information section on p40 for information on **our authorised insurers**.

You only need to contact **us** about **your** insurance, and **we** will arrange everything with **our authorised insurers** on **your** behalf.

We, Policy Expert, have designed this policy booklet carefully to help **you** understand the cover **we** will provide. Please take the time to read the **policy** and make sure that the cover meets **your** needs. If **you** want to change anything or if there is anything that **you** do not understand, please contact **us**.

About this policy

The **policy** is arranged in different sections. It is important that **you** are clear which sections **you** have asked for as the insurance relates only to the sections of the **policy** which are shown in the **schedule** as being included.

Throughout this **policy** certain words and phrases have specific meanings. These are defined in the definitions section of the **policy** on page 4 and are highlighted throughout the document in bold font. There are some general exclusions that apply to the whole contract of insurance and these are defined in the general exclusions section of the **policy** on page 16.

Policy limits

Below is a summary of the limits of **our** policies. **Your schedule** will show which sections and limits apply to the level of cover **you** have bought. Please see the relevant section in this booklet for full detail of **your** cover and the exclusions that apply.

General conditions

The following conditions apply to all sections of this policy.

1. Providing accurate and complete information

A copy of the questions and answers that **you** gave **us** is available in **your** account on **our** website or **you** can ask **us** for a printed copy. **You** must check this information carefully and let **us** know immediately if any of the information **you** have given **us** is incorrect.

Under the Consumer Insurance (Disclosure and Representations) Act 2012, when taking out or varying this **policy** **you** must take reasonable care to give accurate and complete answers to all questions **we** ask and make sure that all information **you** give **us** is true and correct.

It is important that the information **you** provide is correct. If **we** find that it is not correct, **we** may:

- cancel **your policy**;
- refuse to pay any claim;
- pay only part of a claim;
- reassess **your** premium;
- alter the level of **your** cover; or
- treat **your policy** as though it had never existed.

2. Changes in your circumstances we need to know about

You must tell **us** about any changes to the answers **you** gave **us** when taking out this **policy** and any changes in **your** circumstances which happen during the **period of insurance**.

It is important that **you** tell **us** about a change before it happens or as soon as **you** know about it.

Here are some examples of changes that **you** must tell **us** about.

1. If **your** address changes.
2. If **you** change occupation.
3. If **you** add items to, or take items off, **your policy**.
4. If the value of any specified jewellery items (over £2,000) change.
5. If **you** or **your family** have been declared bankrupt (sequestration in Scotland) or there have been bankruptcy proceedings against **you** or **your family**, or a County Court Judgement (CCJ), individual voluntary arrangement (IVA) or similar.
6. If **you** or **your family** have been convicted of any offence other than a driving offence.
7. If **your home** will be **unoccupied** or **unfurnished** for more than 30 days in a row (losses are more likely to happen in **unoccupied** or **unfurnished** properties). The unoccupancy period starts from the first day that **you** are not in **your home**.
8. If **you** are having any building work done.

You must tell **us** before the start of any building work, conversions, renovations, demolitions and extensions at **your property**.

You must tell **us** about the work at least 30 days before it starts.

(**You** do not need to tell **us** if the work is for redecoration only, is routine maintenance or is to replace or refit existing kitchen or bathroom fittings and does not involve making any structural changes to walls, ceilings or floors.)

You must also tell **us** if the building work alters the number of **bedrooms** or bathrooms.

9. If **you** or **your family** intend to let or sublet **your property** or if **your property** is no longer occupied only by **you** or **your family**.
10. If **your property** is to be used for any other purpose than:
 - i. domestic purposes; or
 - ii. business administration purposes.
11. If the property is no longer **your** main home.

This is not a complete list and **you** should contact **us** if **you** are not sure whether a change of circumstances may affect **your policy**.

When **you** tell **us** about a change **we** will let **you** know if it will affect **your** insurance. For example, **we** may change the terms of **your** insurance, **you** may have to pay more for **your** insurance, or **we** may cancel **your** insurance in line with the Cancellation section on page 38.

If **you** don't tell **us** when **you** realise that information **you** have provided is inaccurate, or if **you** fail to tell **us** about any changes to **your** circumstances, **we** will not pay **your** claim, **we** may cancel the **policy** in line with the Cancellation section on page 38 or **we** may treat this **policy** as if it had never existed.

3. Using your property for business purposes

The **property** must not be used to carry out any business activities other than office administration work on behalf of **your** business or the business of **your** employer.

You must not carry out any form of manufacturing, packaging of goods or manual work, including using machinery or tools, in **your property** (including in any **outbuildings** or garages which are part of or attached to the main building).

You must not have visitors entering **your property** for the purpose of carrying out business, and **you** must not have any employees working at **your property** for the purpose of carrying out business. **You** must not store any business stock at **your property** (including in any **outbuildings** or garages which are part of or attached to the main building).

We have the right to declare **your policy** void if these conditions are not met.

4. Contracts (Rights of Third Parties) Act

Any person, company or business who is not named on this **policy** will not have any rights to enforce any terms or conditions of this **policy**. This will not affect any other rights that person, company or business has apart from under this Act.

5. Fraud

You must not act in a fraudulent way.

This means that **you** (or anyone acting for **you**) must not, for example:

- mislead **us** or **your authorised insurers** in any way in order to get insurance from **us**, to get a better deal or to reduce **your** premium;
- make a claim under this policy knowing the claim is false or exaggerated in any way;
- give **us** a document to support a policy or claim, knowing the document is forged or false in any way; or
- make a claim that relates to any loss or damage caused by something **you** have deliberately done or been involved in.

If **you** make a fraudulent claim **we** can:

- refuse to pay the claim;
- recover from **you** any amounts **we** have paid relating to the claim;
- treat the policy as having been cancelled from the time of the fraudulent claim;
- refuse to pay any other claim under this policy which relates to an event that happened after the fraudulent claim;
- not return any of the premiums **you** have paid under the policy; and
- report the matter to the police.

We have the right to recover from **you** our (or our representatives') costs in investigating any fraudulent claim.

If **you** deliberately give **us** false information when taking out, renewing or amending **your** policy, **we** can:

- treat the policy as if it never existed or the amendment as if it had not been made;
- refuse all claims;
- recover from **you** the amount of any claims **we** have already paid under this policy;
- keep any premium **you** have paid; and
- report the matter to the police.

6. Joint policyholders

The most **we** will pay is the relevant **sum insured**. If there is more than one policyholder, the total amount **we** will pay will not be more than the amount **we** would have to pay to any one of **you**.

7. Law that applies

This **policy** will be governed by the laws of England and Wales and be subject to the jurisdiction of the courts of England and Wales.

8. Other insurance

We will not pay any claim that would be covered under any other insurance policy if this **policy** did not exist. However, if the other insurance cover has all been used up, **we** will pay the amount that is over the cover available under that other insurance. If there is more than one insurance policy in place, the total amount **you** receive will not be more than the amount **we** would have to pay **you** if only this **policy** was in place.

9. Premium payments

If **we** have not been able to collect a premium payment or **your** credit agreement is cancelled, **we** will contact **you** to ask for the payment by a specified date. **We** will give **you** at least 14 days' notice, in writing, if **we** intend to cancel **your** insurance because **we** have not received a payment.

If **you** do not pay by that date, **we** will cancel **your policy** immediately and tell **you** **we** have done this.

We will not pay any claim made under this **policy** unless **you** have paid the premium due to **us**.

If **you** pay **your** annual premium by monthly direct debit and **we** do not receive **your** monthly payments when they are due, **you** will not be able to make a claim.

10. Reasonable care and preventing loss

- You** must take all necessary and reasonable steps to prevent or limit accident, injury, loss or damage to **your buildings** and **contents** or liability to others.
- You** must make sure that **your buildings** are maintained in a good state of repair.
- You** must keep the **contents** covered by this **policy** in good condition.
- If any security measures are installed to protect the **buildings** (for example, window locks), **you** must use these whenever the **buildings** are left unattended, as well as when everyone in the **home** has gone to bed for the night.

If **you** make a claim under this **policy** and **we** decide that the loss, damage, liability, cost or expense that led to the claim was caused or made worse by **you** failing to meet **your** obligations under this clause, **we** may refuse to pay the claim or **we** may reduce the amount of any payment **we** make for the claim, pay only part of the claim or **we** may cancel **your policy**.

11. Renewal

During the month before **your policy** is due to end **we** will let **you** know by phone, letter or email if **we** are able to continue offering **you** insurance.

If **your policy** is not renewed, cover will stop at the end of the **period of insurance** shown in the **schedule**.

If **we** offer to renew **your** current **policy**, **we** may be able to arrange this using the payment details **we** already hold for **you** (unless **you** have told **us** otherwise). **We** refer to this as 'automatic renewal'.

We will always tell **you** whether or not **we** intend to renew **your** cover automatically. **We** will do this before **we** take full payment. This does not affect **your** right to cancel this **policy** in line with **our** cancellation policy. **You** can opt out of automatically renewing **your** cover with **us**. **You** will need to tell **us** if **you** want to do this before the day **your** policy renews. Please be aware that if **you** opt out of automatic renewal, **we** cannot ensure **your** continual cover.

Our renewal offer will include the premium and any changes in the terms and conditions for the next period. If **you** do not want to renew **your** insurance, please let **us** know before the renewal date of **your** **policy**.

If **we** are unable to offer to renew **your policy**, **we** will write to **you** at the last address **we** have on file for **you**. **We** strongly advise **you** to review **your policy** each year to make sure **you** have suitable cover in place. The value of some of **your personal belongings** and **valuables** is likely to vary over time. **We** recommend that **you** review the valuation of any specific items regularly (at least every two years) and get professional advice if necessary. Please let **us** know if the value of any of these items changes, otherwise **you** may find yourself overinsured or underinsured.

12. Sanctions

We shall not provide cover nor be liable to pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Settling claims under buildings covers

(See also general exclusions and general conditions.)

1. How much we will pay

For loss or damage to the **buildings**, **we** will pay up to the full **cost of rebuilding**, as long as the **buildings** are regularly maintained, in a good state of repair and they are insured for the full **cost of rebuilding**.

When settling **your** claim, if **we** decide that **we** can offer rebuilding work, repairs or replacements, **we** will ask **you** to choose one of the following options.

- a. **We** will choose a contractor (**our preferred contractor**) and instruct them to carry out the rebuilding work, repairs or replacements in accordance with the terms of our service level agreement with them.
- b. **We** will pay **you** a cash settlement for the same amount it would have cost **us** to use **our preferred contractor** in accordance with the terms of our service level agreement with them.

If for whatever reason **we** decide that **we** cannot offer rebuilding work, repairs or replacements through **our preferred contractor** in accordance with the terms of our service level agreement with them, **we** will pay **you** the lowest of:

- a. the decrease in market value of **your buildings** due to the damage, or
- b. the cost of the work had it been completed by **our preferred contractor** without delay, or
- c. the cost of the work based on the most competitive estimate from **your** nominated contractors if the work had been carried out without delay.

For any claim made under this policy, **we** will not pay more than:

- a. the **sum insured** for the **buildings**, as shown in **your schedule**; or
- b. any limit shown in the **policy** or in **your schedule**.

It is **your** responsibility to make sure that, at all times, the **buildings sum insured** reflects the full value of the **buildings** insured. The full value is the estimated **cost of rebuilding** if the **buildings** were destroyed (this is not the same as the market value). It must be enough to include the cost of removing debris from the site, rebuilding expenses and associated costs.

If **you** fail to keep the amount insured at the full value, **we** may reduce the amount **we** pay for each claim in proportion to the assessed shortfall in insurance.

We will not reduce the **sum insured** under this section following a claim, as long as **you** agree to carry out any recommendations **we** make to prevent further loss or damage.

All repairs to **your buildings** will need to be carried out without delay to prevent further damage occurring. If **you** do not carry out or arrange suitable repairs that **we** recommend and **you** make another claim that is caused fully or in part by **you** failing to carry out suitable repairs, **we** have the right to refuse to pay the claim or to reduce the amount of any payment **we** make for the claim.

2. Settling liability claims

In dealing with a liability claim under the terms of this **policy**, either before or after **we** pay **your** claim, **we** may do the following.

- a. Defend or settle any claim and choose the solicitor who will represent **us** and **you** in any legal action. If **we** do this, **we** will pay any fees involved.
- b. Take any legal action in **your** name or in the name of any other person covered by this **policy**. Once legal action has started, **we** will have complete control of the matter.

3. Pairs, sets and suites

If **you** have made a successful buildings claim for an item which forms part of a matching set or suite, **we** will make a cash contribution of 50% of the cost of replacing or changing any associated undamaged item from the matching set or suite when a replacement of, or reasonable match for, the lost or damaged item cannot be found. By 'reasonable match' **we** mean this may be similar but not an exact match. When **we** settle **your** claim, if **we** ask, **you** must give **us** any damaged or undamaged items which form part of the claim.

4. Removing debris

Under the buildings section we will also pay to remove debris following an insured claim.

5. Maintenance

A well-maintained building should withstand all but the most severe weather conditions. It is important to remember that **you** are responsible for maintaining **your home** in a good state of repair. If the **buildings** have not been maintained in a good state of repair, when assessing a claim, **we** will take into account the condition of **your** property and **we** may refuse to pay the claim or **we** may reduce the amount of any payment **we** make for the claim.

We will not cover the costs of repairs or replacements, where the costs arise through **you** failing to regularly maintain the **buildings** properly.

6. Repair guarantee

All repairs carried out by **our** approved suppliers as a result of an insured claim under this section of **your policy** are guaranteed for 12 months.

Section 2 - Contents cover

Contents cover is included if it is shown in your schedule.

We will pay up to the **sum insured** for any **contents** shown in **your schedule** which belong to **you** or **your family**, or which **you** or **your family** are legally responsible for, against loss or damage directly caused by the following covers. The loss or damage must take place at **your property** during the **period of insurance**.

We do not cover the amount of the **excess**, as shown in **your schedule** or as shown in this Section 2.

The amounts shown below are the most **we** will pay.

Sums insured

- i. **Contents** – **we** will pay up to the **contents sum insured** shown in **your schedule**;
- ii. Unspecified **valuables (valuables** which individually are worth £2,000 or less) – **we** will pay up to the amount shown in **your schedule**;
- iii. Specified **valuables (valuables** which individually are worth more than £2,000 and which **you** have told **us** about) – **we** will pay up to the amount shown in **your schedule**.

Important

You need to tell **us** about (to specify) any **valuables** worth more than £2,000. Any **valuables** which individually are worth more than this amount that **you** haven't told **us** about and aren't itemised in **your policy schedule** won't be insured.

The "worth" of a **valuable** is the cost of replacing that **valuable**. If **you** are unsure of the replacement cost, **you** should seek an independent expert valuation.

You can add specified **valuables (valuables** which are worth more than £2,000) to **your policy** at any time. To do so please contact **us**.

Settling claims under content covers

(See also general exclusions and general conditions.)

1. How much we will pay

For any claim made under this **policy**, **we** will not pay more than:

- a. the **sum insured** for **your contents**, as shown in **your schedule**; or
- b. any limit shown in the **policy** or in **your schedule**.

Unless **we** tell **you** otherwise, each limit shown in this **policy** and in **your schedule** applies to each claim **you** make.

We will not reduce the **sum insured** under this section following a claim, as long as **you** agree to carry out any recommendations **we** make without delay to prevent further loss or damage.

It is **your** responsibility to make sure that, at all times, the **contents sum insured** reflects the full value of the property insured. This is how much it would currently cost to replace each item as new (except for **works of art** when the full value is the current market value). **You** must keep the **sum insured** up to date when **you** buy new items.

If **you** fail to keep the amount insured at the full value (or current market value for **works of art**), **we** may reduce the amount **we** pay for each claim in proportion to the assessed shortfall in insurance. For example, if the limit of **your** contents cover is equal to 75% of the amount needed to replace all the **contents**, **we** will only pay 75% of **your** claim.

2. Settling claims (does not apply to liability claims)

We can choose to settle **your** claim by:

- a. repairing or reinstating the item; or
- b. replacing the item as new; or
- c. paying **you** the cash equivalent.

Where possible, **we** will repair your item.

If not, **we** will replace it with an item of the same make, model and memory size or an item with an equivalent specification.

If **we** agree to replace the item as new, the new item will be as close as possible to, but not an improvement on, the original item when it was new.

If an item cannot be repaired or replaced, **we** will make a cash settlement and **our** payment will be based on a qualified opinion of the item's value immediately before the loss or damage. **We** will only pay **you** what it would have cost **us** to repair or replace the item with **our** own preferred suppliers and as if the repair work had been carried out without delay.

For **works of art**, if **we** agree to make a cash settlement, the amount will be based on the market value of the item on the date the loss happened.

We will replace the damage **contents** as new without making a deduction for wear and tear, as long as the **sum insured** is at least equal to the cost of replacing all the property.

3. Settling liability claims

In dealing with a liability claim under the terms of this **policy**, either before or after **we** pay your claim, **we** may do the following.

- a. Defend or settle any claim and choose the solicitor who will represent **us** and **you** in any legal action. If **we** do this, **we** will pay any fees involved.
- b. Take any legal action in **your** name or in the name of any other person covered by this **policy**. Once legal action has started, **we** will have complete control of the matter.

4. Pairs, sets and suites

If **you** have made a successful contents claim for an item which forms part of a matching set or suite, **we** will make a cash contribution of 50% of the cost of replacing or changing any associated undamaged item from the matching set or suite when a replacement of, or reasonable match for, the lost or damaged item cannot be found.

5. Removing debris

Under the contents section **we** will also pay to remove debris following an insured claim.

6. Maintenance

We will not cover the costs of **your** claim, where the costs arise through **you** failing to maintain the **buildings** properly.

7. Proof of value and ownership

It is **your** responsibility to prove any loss, so **we** recommend that **you** keep photographs, guarantee cards, instruction booklets and a full description of **your** valuable items, including serial and model numbers, to make it easier to identify them.

Keep relevant proof of purchase and evidence of value, as **we** may ask **you** for these if **you** make a claim under this **policy**.

The value of items such as jewellery, watches, works of art, curios and collections often varies independently of inflation. **You** should make sure that these items are insured for the correct amount at all times. If **you** have specified any items, please refer to any **endorsement** issued for details of how often these items should be valued.

8. Repair guarantee

All repairs carried out by **our** approved suppliers as a result of an insured claim under this section of **your policy** are guaranteed for 90 days.

About the Office of the Arbiter for Financial Service

The Office of the Arbiter for Financial Services considers that a "complaint" refers to a statement of dissatisfaction addressed to an insurance undertaking by a person relating to the insurance contract or the service he/she has been provided with. The term "person" does not specify that this is limited to individuals and therefore any policyholder, insured person, beneficiary and injured third party (irrespective of the country of residence or where the risk is situated) is eligible to make a complaint. For more information on the Office of the Arbiter for Financial Services and its complaints process, please visit www.financialarbiter.org.mt.
